

**DEVELOPMENTAL MATHEMATICS  
ADJUNCT FACULTY**

Zane State College is accepting applications for adjunct faculty to teach courses in developmental mathematics. Successful candidates will possess an earned bachelor's degree in education with concentration in math or one year teaching experience with good references in a post-secondary math program. Master's degree in math education or Middle School or Secondary Math Certification and math teaching experience in middle school, high school, or developmental education is preferred.

Interested applicants must submit a letter of interest, a resume, a Zane State College application form, and unofficial college transcripts. Please contact the office of the Coordinator of Adjunct Services at (740) 588-1250 for an application packet and additional information.
