ADDITIONAL REQUIREMENTS

First Year Seminar - FYEX 1010, First Year Success Strategies (1 credit)

Computer Skills Proficiency - Students must be able to pass a computer skills proficiency exam or take BMCA 1010, Introduction to Microcomputer Software Applications (3 credits).

Electives - Additional courses to meet the 60 credit hours required for the degree should be selected based on the academic requirements of the institution to which the student plans to transfer and the approval of the academic advisor. Developmental courses do not count toward the AA or AS degrees.

Students are encouraged to meet with their program advisor each semester to ensure that degree requirements are being met.
