

BLS HeartCode CPR

Basic Life Support (BLS) HeartCode training reinforces healthcare professionals' understanding of the importance of early CPR and defibrillation, basic steps of performing CPR, relieving choking, and using an AED; and the role of each link in the Chain of Survival.

The following BLS courses are offered through Zane State College in partnership with Genesis Healthcare Systems. Cost is **\$65** and certification is valid for two years.

- Pre-registration is required
- Seating is limited
- Call early!
