CCP Guidelines & Factors to Consider

CCP General Guidelines

- ▶ Each public school student is awarded 30 credits per academic year
 - ▶ Summer courses count towards the following year's credit total
 - ▶ Any classes taken at the high school count towards the 30 credits
- ▶ High schools pay the cost of the course; ZSC pays for cost of books
 - ▶ Textbooks should be returned to the ZSC Bookstore
- ▶ All courses taken reflect on both the high school and college transcript

ODHE Impact of Student Grades (see handout)

- ▶ If a student fails a course, the high school has the option of requesting reimbursement from the student

ODHE Impact of Student Grades

Drop - Students have 14 days after the start date of the class to drop the class for no grade or financial penalty.

Withdraw - Between the end of the second week and end of the tenth week (“W” on transcript. Failure to complete withdrawal paperwork will result in you receiving an “F” in the course).

CCP Probation (see Underperforming Student handout)

- ▶ A student is placed on CCP probation when the student:
 - ▶ Has earned lower than a cumulative 2.0 GPA in college courses OR
 - ▶ Withdraws from two or more courses in the same term
- ▶ When on CCP probation, the student:
 - ▶ May enroll in no more than one college course
 - ▶ May not enroll in the college course in the same subject in which student previously earned a D or F or received no credit
- ▶ Student remains on probation until student has improved cumulative GPA to 2.0 or higher (maximum of two terms as an underperforming student)

CCP Dismissal

- ▶ A student is placed on CCP Dismissal when the student has met the definition of **CCP Underperforming Student** for two consecutive college terms
- ▶ Once a student is dismissed from CCP, the student may not enroll in college courses for the following college term
- ▶ After one college term on dismissal, the student may request secondary school to allow student to participate. Secondary school shall determine whether the student may continue on dismissal, move to probation, or participate without restrictions per the school's adopted policy. Policy must be developed prior to summer term, 2019.

Factors to Consider

- ▶ College Credit Plus may affect your financial aid eligibility
- ▶ CCP GPA is your college GPA; it stays with you throughout remaining college experience
- ▶ Paying for failed courses

College Credit Plus - Parents' Guide

Parents: How can you support your student in making this transition to college?

- Ask your student questions. Don't assume that no news is good news.
- Understand that learning & communication is the **student's responsibility!!!**
- It is okay to struggle. Failing is part of learning.
- Help your student create and keep a schedule
- Be proactive.
- Email or call Shelley with concerns (make sure your student has filed a FERPA form with the college).

Should parents contact the
instructor directly?

NO!

Communication about a student's progress in college classes is the responsibility of the student. Privacy laws limit the amount of information a college representative can provide.
