

FALL 2022 DEAN'S LIST

Congratulations, Students!

These students are recognized for their academic achievement. To be eligible for the Dean's List, students must have achieved a 3.5 grade point average or higher and completed a minimum of nine credit hours (excluding credit/no-credit courses) during a given semester. The Dean's List is produced up to eight weeks after the end of the term and includes only those students who have not withheld the publishing of directory information. Dean's List recognition is noted on the student's transcript for the semester it is earned. If you have any questions about this listing, please email registrar@zanestate.edu. Students are listed in alpha order by first name.
