

HeartSaver CPR/AED

Heartsaver® CPR/AED is a classroom, video-based, instructor-led course that teaches adult CPR and AED use, as well as how to relieve choking on an adult. This course teaches skills with AHA's research-proven Practice-While-Watching (PWW) technique, which allows instructors to observe the students, provide feedback and guide the students' learning of skills. This course is for anyone with limited or no medical training who needs a course completion card in CPR and AED to meet job, regulatory or other requirements.

The following HSV CPR courses will be offered through Zane State College in partnership with Genesis Healthcare Systems. Cost is **\$50** and certification is valid for two years.
