After graduating from Tri-Valley and Zane State College, Ben Welker obtained employment as a contracted employee at AEP. Sadly, Ben lost his battle against Ewing's Sarcoma in 2016. "This scholarship is a testament to Ben's character. Throughout his brave battle against Ewing's Sarcoma, Ben continued to learn, be inspired, and plan for a successful career. We want to help other high school students do the same," said Erin and Scott Welker (Ben's parents). "It's amazing what a difference a scholarship can make in the life of a college student. We are so proud to have Ben's memory live on through others as they work to achieve their dreams."

Zane State College will award up to \$14,000 in scholarships to local high school graduates who demonstrate excellent sportsmanship and community service.
