

Zane State College  
Radiologic Technology Program  
Program Effectiveness Data

The Zane State College RADT program is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). In compliance with the JRCERT Standards, the program has made program effectiveness data available to students and the general public. More information can be found at [www.jrcert.org](http://www.jrcert.org).

Year	Completion Rate	Examination Pass Rate	Job Placement Rate
2018	85.7% (12 students completed / 14 students initially enrolled)	91.7% (11 first time examinees passing/ 12 first time examines taking)	100% (12 graduates finding employment / 12 graduates actively seeking employment)
2017	87.5% (14 students completed / 16 students initially enrolled)	92.8% (13 first time examinees passing/ 14 first time examines taking)	100% (13 graduates finding employment / 13 graduates actively seeking employment)
2016	87.5% (14 students completed / 16 students initially enrolled)	100% (14 first time examinees passing/ 14 first time examines taking)	100% (12 graduates finding employment / 12 graduates actively seeking employment)
2015	75% (12 students completed / 16 students initially enrolled)	100% (11 first time examinees passing/ 11 first time examines taking)	100% (10 graduates finding employment / 10 graduates actively seeking employment)
2014	41.1% (7 students completed / 17 students initially enrolled)	100% (6 first time examinees passing / 6 first time examinees taking )	100% (5 graduates finding employment / 5 graduates actively seeking employment)
<b>5 year average</b>	74.7% (59 students completed / 79 students initially enrolled)	96.5% ( first time examinees passing / first time examinees taking )	100% (52 graduates finding employment / 52 graduates actively seeking employment)

• **Program Completion Rate** (calculated annually) - The number of students who complete the program within a cohort compared to the number who enrolled in the cohort initially.

• **Credentialing Examination Pass Rate** (five-year average) - The number of graduates who pass the American Registry of Radiologic Technology (ARRT) or an unrestricted state licensing examination (Radiography, Radiation Therapy, and Magnetic Resonance) compared with the number of graduates who take the examination with six months of graduation.

• **Job Placement Rate** (five-year average) - The number of graduates employed in the radiologic sciences, within six months of graduation, compared to the number of graduates actively seeking employment in the radiologic sciences.
